Salvina Tannenholz was our guest entertainer for the month of June. She has a gifted voice with an amazing range and a repertoire that includes songs in different languages. Salvina donated her performance in appreciation of the Shriners for the work we do. We presented her a heart felt certificate of appreciation and hope she comes back soon.

JULY 2019

The President's Message

I have had the honor of serving as your club President for six months, exactly half of my term. Before we know it, the time will be here to start a new year for our club. I have received a lot, and I mean a whole lot, of support from Past-President Noble Gene Welper, who has assisted me not just with mentoring, but also in tangible ways, such as agreeing to be chairman of the nominating committee, being a key player of our bi-annual pancake brunches, and chairing the committee to review those brunches.

I will soon announce to the Nobility the suggestions made by that committee. It has been examining our brunches top to bottom, and will recommend what changes must be made to improve them, or if we should even continue the brunches, given that our membership has fallen off tremendously since we started them.

Once we decide where to go with the brunches, we must deal with a big freight train of a challenge speeding rapidly toward us. Second Vice-President Jerry Pherson, who would be First Vice-President next year, and Third Vice-President Cliff Lang, who would be Second Vice-President next year, have both informed the board that they have chosen not to continue in the line. That means as of now, Jim Porrett, who will take over as President, has no one in the line behind him for next year. That is correct, as of now, we only have a President To-Be for 2020, and not one single Vice-President behind him. Also, we have some members of the Board of Directors that are not in great health should be replaced next year. In fact, our bylaws call for Board of Directors members to serve two-year terms, but the club has allowed them to remain in their positions for as long as they want. It is my belief that new blood on the board is good and should be a goal, just like is in the line of President, First, Second, and Third Vice Presidents.

It is said that the future belongs to those that prepare for it today. At this moment, right now, I am encouraging each Noble to ask himself is he has the background, desire, and time to step forward and offer his services. Being an officer or director is work, but it is also very rewarding and fun, as you serve to benefit the club we all love. Could you be one of next year's officers or directors? If you do some soul searching and decide that you would like to be one of the Nobles that step up, please contact Noble Gene Welper, who is this year's nominating committee chairman. Perhaps you would like to learn more about the responsibilities and other pertinent details of those offices. If so, Noble Gene Welper, Noble Jim Porrett, any Past-President, or I would be happy to visit with you. We are waiting to hear from you, Noble Future Vice-President of Noble Future Director.

*Yours In The Faith-
Tex*
