## Words from the President

By Illustrious Sir Dennis Hardy, PP

Hello and welcome to May. Hard to believe that the year is almost half way over. I cannot tell how proud I am of the Sun City Center Shrine Club and our accomplishments to date. Thank you from the bottom of my heart for your service and dedication to our club!

There are many names for the Merit Award: Medal for Merit, Medal of Merit, Award of Merit, Order of Merit, and Legion of Merit just to name a few. They all have one thing in common, only the best of the best receives it for going well above and beyond the call of duty in their service! Our Medal of Merit is no different, it is going to our best of the best. Each one of the individuals that will receive this award has served our club well above and beyond what

was expected of them. In fact, we could not and would not be where we are without these heroes!

Our very own **Medal of Merit** award is here. This award will be a permanent award that can be worn at any Shrine meeting. This award will be for any member who distinguishes themselves by either outstanding achievement or meritorious service to the Sun City Center Shrine Club. The award will come with a royal blue ribbon to be worn around the neck. We are very excited about this award and are pleased to be making several presentations at the May Club luncheon so please be sure to make your reservations to see this amazing presentation and congratulate our Heroes! The award will also be accompanied with a **Certificate of**

**Merit** explaining the reason for the award. The renditions of the Award and Certificate are on the next page.

Our **Chat and Chew** gang is going very well. It is one of my favorite times with the club. It is awesome just to be able to go to dinner with friends and just enjoy each other's company, no business just a lot of joking around, laughing, and pure friendship. It is part of the having fun as a Shriner! If you haven't joined in yet, please be sure to do so, I guarantee you will enjoy yourself.

We will begin planning our Children's Christmas Party very soon! I just completed a TV interview with Kim Droge on TBAE (Tampa Bay Arts and Entertainment) that will air later this year! We had such fun doing it and I believe it will really help us in raising money for

## Words from the President (continued)

the party! Noble Steve Drobni will be writing 2 or 3 articles for the local papers to help us get the word out (a big ole Thank You to Noble Steve)! I really want to up the ante and set a goal of raising \$3000 for the kids. We have a new button on our website just for the Christmas party and it will take folks straight to our square checkout page to donate. So far, we have already received \$50. We also have a QR code (see Figure 1) that will do the same thing, make it easier for folks to donate! Here it is:

Figure 1: QR Code for Magic of Christmas

Figure 2: QR Code Weblink

All you need to do is open your phones camera and point it at the QR code. A message box (see Figure 2) should appear with a link to our page. Simply click on the link and presto you are on our checkout page and ready to donate! Now you can do this yourself if you want however, we much prefer you to show it to your neighbors and friends and have them donate! It will cheaper for you that way!

My only request from you, is please have fun in everything you do! It was why the Shriners were created in the first place. Fun and laughter are very contagious... it attracts others!

Do it Because You Can!

Thank you and God bless each one of you and your families.

**A Huge Thanks  
to the following  
individuals:**

*Kendall & Carol Scwindt*

*David & Marshall Brigham*

## SCC Shrine Club Donation to the Masonic Park & Youth Camp

After the April 4<sup>th</sup> Board of Directors Meeting, seven of the Officers and Directors traveled to the Masonic Park & Youth Camp. President, Illustrious Sir Denny Hardy presented a donation of \$250 to Brother David Brigham, Park Manager and Brother Marshall Brigham, Assistant Park Manager, Brother Marshall Brigham. Enjoining the presentation were Nobles Ed Davis, Don Churchill, James Cloore, Tom Griffiths, Bob Jenkins, and Jim Porrett (Photographer). The Club greatly appreciates our relationship with David and Marshall, the use of the Park's trailer to transport the Club's parade vehicle and when in need, a facility for meeting. Brother Marshall recently provided an outlet for us in the building making it easier to keep the vehicle charged.

In addition to this, the Club has also donated one of the pancake grills, several coffee pots and the Industrial mixer Noble Kendall & Lady Carol donated funds to the Club to purchase. Many thanks to Brothers David and Marshall and the Masonic Park!

# Our CA Storage Room

On March 10<sup>th</sup>, President Ill. Sir Denny Hardy received a phone call from the Community Association that our years of the storage room on site at the Community Center was coming to end effective March 18<sup>th</sup>. Denny immediately reached out the Board of Directors for thoughts and assistance. 9 AM Tuesday the 15<sup>th</sup> was set as the moving time and day. Noble Jim Porrett made arrangements for a twenty-foot U-Haul truck to make the move to the Masonic Park.

Nobles Bob Jenkins, Ed Davis, Jim Porrett and Denny Hardy met Tuesday morning at the Community Hall storage room to access the task ahead of them. Almost four hours later, a large volume of discarded, out of date materials left in the trash bin, and quite a few rest and hydration breaks the door on the back of the truck was closed. The good

news was it took a lot less time to unload it into the storage building at the Masonic Park. I believe it was Noble Bob that said, "It went faster because the unloading was all downhill!" Not much more than an hour later the Parade Vehicle was squeezed into the building and the garage door was closed and locked. Noble Jim returned the U-Haul truck and connected with the others for a late lunch and libation. These Nobles deserve a lot of thanks for their undertaking this monumental task, THANK YOU!

Since we didn't have time to completely sweep the room out and get confirmation if we were to take the shelves down, Noble Jim called the Community Association Wednesday morning so arrangements could be made, only to find out the CA Staff had the shelves down and room swept out before

the truck was even unloaded at the Masonic Park.

Many thanks to the Community Association for the years we were afforded the use of the storage room! We came to find out the Department of Veterans Affairs was being relocated from the North Campus to what had been used for CA storage items in a room inside Community Hall, to the right as you enter the main Lobby. The CA storage items were then moved into the room the Club had been using. Again, the Club was extremely fortunate to have been afforded this space, especially all the years of the Pancake Brunch and the equipment we and material we stored there.

*"Thanks to all who helped with this monumental task!"*

This small space...

Held all of this and more!

## The Chaplain's Corner

Chaplain Noble Robert Bennett

There were tense times for the people of Israel. Rome was tightening her grip on the little nation, insurrections and rebellions against Rome were growing and a rag tag group of people were creating a stir in the name of a man named Jesus. It seems that an amazing thing is happening in the city of Jerusalem. Thousands of people are turning from their Jewish beliefs to embrace a man name Jesus Christ, Acts 2:41; Acts 4:4. Of course, this is upsetting to the leaders of the Jewish people. After the second of these events, two of the ringleaders Peter and John are arrested, 4:3, and called to give account for their actions and for the radical, new message they are preaching.

To fully understand where we are in these verses, we need to look back for just a moment. In chapter 3, Peter and John were going up into the Temple to worship at the time of the evening sacrifice, about 3 PM. As they were passing through the Beautiful Gate,

they met a crippled man who had been lain there so that he might beg for pennies from the people who were headed to the Temple to worship. Instead of giving this man a few coins and passing right on by, Peter takes him by the hand and heals him in the name of Jesus. When the people, who knew this was the lame man, see this man leaping and jumping and praising God, they gather and inquire as to what is going on. Peter seizes upon this opportunity to tell them about Jesus. While he is preaching, the leaders of the people, the Sanhedrin, come on the scene to see what the ruckus is all about. When they hear Peter preaching about that Jesus Whom they had crucified they are livid. When they hear that Peter is claiming that this Jesus arose from the dead, they are absolute furious and they arrest the two preachers. But, the message had already been delivered and 5,000 men were saved by the grace of God that day!

dedicated to brotherhood, compassion and service to others.”*

---

Shriners International, a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth, founded Shriners Hospitals for Children as its official philanthropy in 1922. What began as one hospital is now a world-renowned health care system with locations in three countries. The fraternity which has nearly 200 temples in several countries and thousands of clubs around the world, continues to support this unique health care system.
