At the Egypt Birthday Party Noble George Banes won a Disco Ball, now he had to set a time for Disco Party. When reading instruction he found you need a blue tooth connection!!! Well the party is off for a while.

Noble George was among the 50 or so Nobles, wives and family that attended the Party to help us all celebrate

Noble Paul Monnette turned 100 in July.

A good time was had by all.

September

... across the President's desk.....

I am super pleased to announce Noble Larry Wing's stepping up and filling the very important position of Membership Chairman for the SCC Shrine Club. Larry has agreed to be the Club's Membership Chairman at least through the close of the current Club year.

To help Noble Larry meet the Club's accelerated membership needs, I have asked Noble Walt Swafford to serve with Noble Larry as the Associate Chair of Membership and fifteen of our most continually involved Nobles to help bring their motivation, their creativity and their disciplines to bear on the membership of the Club in a quick start, results-orientated fashion.

As we look back to the involvement over the months that have slipped past since the annual summertime exit began this year, together we have effectively overcome the temporary losses and actually increased fellowship within the Club.

Thus far, over the traditional "down months" of the Florida summer, we- the SCCSC- have remained viable, active and actually increased the involvement and resulting fellowship opportunities within the Club. Within the journeys and organizational involvements, that have taken us to multiple new destinations, introduced new and different activities and aroused from within each of us remembrances of enjoyable times past, the often boring days, evenings and nights of summer heat have been a little less oppressive. To those who have made the choice to participate in the new adventures and re-energize self involvement in the on-going, activities "refreshed", increased fellowship and the additional fun and enjoyment of that fellowship have been experienced and enjoyed.

Continually growing, uninterrupted Men's Nights Out events, two bus trips, a Mystery Dining Event for Nobles and Ladies, a couples Birthday Celebration where awareness of our very own "100 active years" Noble was *actively* promoted, the "advance" beginning of the journeys to the Fall Pancake Brunch and the Annual Children's Christmas Party hosted by SCCSC have all occurred during the heat of Summer 2017.

Are we of SCCSC answering the call of our 2017 Potentate, Illustrious Sir James Litch to embracing change while we continue to support the traditions of the Shrine as we continue to expand the Shrine philanthropy? You bet we are!

Way to go SCCSC Nobles, Ladies, Guests and area supporters! Give yourself a well deserved “pat on the back.” You have earned it, you deserve it. Seize the opportunity to feel and be proud. Just do it!

Before we go, let us look beyond the chaos, of which we are hourly reminded, and help ourselves, our neighbors, friends and family focus on the many wonderful and happy activities, events and reactions that many, many well and great people offer-up, promote and deliver each and every day. Remember the first responders, service personnel, and near neighbors who continue to provide “good things” each and every hour, of each and every day. We must work hard to not let a few seem bigger than they are and thus spoil the *view* for many.

Got to go for now, see you all later!

Dallas

SCCSC President, Club year 2017

Help! Help! Help!

The editor of the Communicator Lady Liz Edwards (sccshrinecommunicator@gmail.com) needs the help of all SCCSC Nobles and Ladies to make sure that the words of "*happiness*"--recognitions, deserving's appreciations and notices -- and information relative to *health and welfare* and *personal needs* of Nobles and Ladies are discretely shared among our local members and aligned individuals through The Communicator.

Please do not leave it to "others" to inform Lady Liz when you have information regarding another Noble and/or Lady that needs to be shared..

Lady Liz knows how to properly care for multiple notices of the same information, but Lady Liz does not know how to *create information out of thin air*. She needs our help to keep us all informed and appreciative of one another.

Please help Lady Liz keep all SCCSC Nobles and Ladies informed. E-mail Liz at scc-shrinecommunicator@gmail.com or call Noble Paul Davenport at 517-869-2059 and/or Noble Larry Sturniolo at 813-454-5945.

We are all in this together and together we can make a big, positive difference! But when we leave it to "That other guy!" we screw it up every time.

Please help by sharing your knowledge.

A Big Birthday Recognition

Saturday afternoon near 4:45 p.m. armed with a proclamation announcing *Saturday, August 12 to be Paul Monnette Day in Sun City Center and spreading throughout the land of Egypt Shrine*, forty seven Nobles, Ladies and guests of SCCSC departed Sun City Center on a large bus and in couple of cars bound for Egypt Temple's Stu Lang facility.

The purpose of the SCC gathering and the ensuing trip was to celebrate at Stu Lang the birthdays of all Egypt land Nobles occurring in Shrine Year 2017 and to determine the age of the oldest Noble attending the Birthday Celebration.

While on the bus, as it rocked and rolled along the highway and byways leading to Egypt, the party bound Nobles, Ladies and guests from Sun City Center were treated to an "on bus auction" by Noble Don Stillson and were presented identifying top hats, skimmers, tiaras and emblazoned sashes to be worn at the birthday bash. Also during the bus trip, the party bound Nobles, Ladies and guests were informed of the plan for a coordinated and staged entry into the Stu Lang facility. The coordinated-staged entry was designed to gain the attention of all the party participants who had already gathered for some 15 to 20 minutes prior to the arrival of the contingent from Sun City Center. Upon entry into the Hall, the SCC attendees wanted to immediately heighten the awareness of all that Noble Paul Monnette has gained and actively applied the knowledge, wisdom, courage and fun of 100 years of living.

Illustrious Sir James Litch and the 2017 Egypt Divan had promised to return this year's Birthday Party to the grandeur of the gala birthday parties of the past. It was the Potentate's personnel request that all Clubs and Units of Egypt each do something memorable

Arriving according to plan some 15 to 20 minutes after the social hour had started, the attendees representing SCCSC gathered outside the bus, adjusted the supplied adornments, received last minute instructions and entered the Stu Lang facility immediately behind Noble Paul as his arrival was ceremoniously announced in a very loud voice. Marching behind SCCSC Noble Don Stillson in a long, single file "snake dance style" line to the amplified music of *Stars and Stripes Forever* being conveyed by SCC Noble Larry Sturniolo all the arriving Sun City Center participants moved throughout the hall carrying high above their shoulders "campaign style" posters; signs focusing attention on the individual attributes of 100 years active, Noble Paul Monnette.

The attending contingent of the SCCSC, with seven tables having been reserved, was repeatedly recognized throughout the evening's proceedings as the single, largest contingent attending the catered event - the last Gala Birthday Party to be held at the current facility, due to the facility being destroyed at the close of this year. The current Egypt properties have been sold.

With the catered meal having been consumed, considerable visiting perused at each decorated table, many remembrances dusted off, and some new acquaintances furthered, it was time for the Divan to determine the Noble present that had experienced the greatest number of birthdays. In answer to the central question, there was a "tie". Two Nobles present had each experienced 100 Birthdays. In the tie breaker, Noble Paul whose Birthday is in June, was "the youngster" when compared to the other Noble whose Birthday is in April.

With the tie breaker having been recognized, the SCCSC Nobles, Ladies and guests then surprised Noble Paul with the presentation of The White Hat on which the words of a very specific message had been affixed; "Kiss Me ! I'm 100 Years Old."
